

No Refund Policy

All payments for services and products provided by this clinic are final and non-refundable after the service has been completed. This includes, but is not limited to:

- Supplementation (which have been opened)- unless otherwise deemed by the staff it is refundable due to manufacturing concerns
- Electrodermal screening
- Diagnostic laboratory testing including but not limited to: stool tests, bloodwork, blood panels
- Follow-up Electrodermal screening and natural medicine appointments
- Supplemental treatments including but not limited to: PEMF, Hyperbaric Therapy, Ionic Foot Cleanses, Saunas, IV and Ozone Therapy, Red Light Therapy, etc

By receiving these services, the patient acknowledges and agrees that no refunds will be issued under any circumstances once a service has been rendered, a product has been dispensed and opened, or a diagnostic process has begun. This policy applies regardless of perceived outcomes, changes in personal circumstances, decisions to discontinue treatment, or other directed care from outside providers.

Natural medicine services and supplements are highly individualized and outcomes may vary from patient to patient. These results vary for number of reasons including: patient's receptiveness and commitment to treatment plan, patient's current condition, failing to complete recommended labs or screenings, stopping treatment prematurely, etc. No specific results are guaranteed.

I acknowledge and agree to the no refund policy.
